

span::ir::types::Type

```
graph BT; A[span::ir::types::FunctionType] --> B[span::ir::types::Type];
```

The diagram illustrates a relationship between two types. At the bottom is a gray rectangular box containing the text 'span::ir::types::FunctionType'. At the top is a white rectangular box containing the text 'span::ir::types::Type'. Two blue curved arrows originate from the top edge of the gray box and point upwards to the bottom edge of the white box, indicating that 'FunctionType' inherits from or is a specialization of 'Type'.
